Profile

I am a dynamic and driven third-year Information Technology (IT) student pursuing a Bachelor of Technology (B.Tech) degree at K.J. Somaiya College of Engineering (KJSCE) in Mumbai. With a fervent passion for technology, a strong academic foundation, and a commitment to excellence, I am dedicated to becoming a proficient IT professional and making meaningful contributions to the field.

Value offered

- I undertook a one-month online internship as an academic tutor. My dedication to problem-solving and time management ensured that I provided timely and valuable support to the platform.
- I am actively engaged in conducting research and contributing to scholarly work within the field of Information Technology. My ongoing involvement in multiple research papers underscores my commitment to advancing knowledge and innovation in this domain.

Work experience

Graphy by Unacademy (01/2023 – 02/2023 Mumbai, Maharashtra, India)
Educational Content Creator
- I live-streamed educational content on Unacademy's Graphy platform for over a month as an academic tutor.

Research (09/2023 – present)
- Actively researching Information Technology, specializing in data analysis and machine learning, and actively contributing to research papers in these areas.

Education

Secondary School (Grade 10): 2018
- 97.2%
- Achieved the highest grade in the Secondary School Certificate examinations, ranking first in the school.

Higher Secondary (10+2): 2020
- 94.4%
- Achieved the highest grade in the PCM stream, ranking first in the school.

K J Somaiya College of Engineering: (2021- current)
